To issue a summons.

The probation officer believes that the offender has violated the following condition of supervision:

Violation Number Nature of Noncompliance

- 1 **Special Condition # 6:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Cornelio failed to submit to urinalysis testing on November 13, 20, and December 11, 2017.

On August 25, 2017, supervised release conditions were reviewed and signed by Mr. Cornelio acknowledging his understanding of special condition number 6, which requires him to submit to urinalysis testing. On August 28, 2017, Mr. Cornelio was provided with urinalysis reporting instructions. He was referred to Merit Resource Service (Merit) color line for random drug testing. His instructions are to call the color line daily and to report when his color is called. In this case, Mr. Cornelio failed to report to Merit on the dates noted above for random drug testing.

Supporting Evidence: Mr. Cornelio failed to attend substance abuse treatment sessions at Merit on November 28 and December 6, 2017.

On August 25, 2017, supervised release conditions were reviewed and signed by Mr. Cornelio acknowledging his understanding of special condition number 5, which requires him to participate in a substance abuse treatment program. On December 12, 2017, Merit staff confirmed Mr. Cornelio failed to attend group sessions on the dates noted above.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the defendant to appear to answer to the allegations contained in this petition.
